

—Dress Code—

Education is a serious obligation, and a dress code contributes to an environment that supports each student's educational discipline. Alongside academic instruction, students learn how to present themselves professionally and modestly.

If you would like to purchase uniform pieces online, we have a selection of approved items at www.frenchtoast.com, and you can browse these using the code QS5SWZS or by typing in our school zip code (22630).

High School students are not required to wear uniforms but are expected to dress in business casual attire. Details of what that means at PPA is listed below. All clothing is expected to appear neat, clean and in good repair each school day.

Parents will be contacted when a student is out of uniform or dress code and may be asked to bring a change of clothing to school if a student is not properly dressed. **The director will be the final judge of what is not proper dress code.**
