PreK-8th Grade Uniform Style Guide

Education is a serious obligation. A dress code supports an environment where alongside academic instruction, students learn how to present themselves professionally. All clothing will be neat, clean and in good repair.

Grades 9-12 will follow the *dress code* outlined in the dress code policy.

Grades K-8 will follow the *uniform* policy.

If you would like to purchase uniform pieces online, we have a selection of approved items from frenchtoast.com under our school's code: QS5SWZS. A Uniform Style Guide on our website shows visual examples of uniform pieces for reference. Please ask if you need further clarification.

Most of the below pictures are from www.frenchtoast.com (to browse uniforms for PPA, use code QS5SWZS).
